Say how the suit makes you feel, whether that is happy, confident or a little nostalgic. Captions that sound honest usually get more replies than ones that only describe the outfit.

Cultural Heritage

A suit often carries family memories or a regional style. Mention a traditional motif, a line from a song or poem, or a short story about who gave you the suit.

Unique Features

Point out what makes your suit different, such as the embroidery, the colour or the way the fabric falls. A few specific words work better than a general one.
