THE HERMITAGE SHOP

“Sun Out, Style On”

Modern Winter fashion balances comfort with statement.

Minimalist slip dresses glide from beach to

evening dinner, oversized sunglasses add mystery,

and woven accessories—straw hats, raffia bags, leather sandals

anchor outfits in natural textures. Color trends often

reflect the mood of the season;

citrus brights evoke energy, soft pastels suggest romance,

and crisp white remains a timeless emblem of summer sophistication.

Breeze In. Shine On.
