"You gotta have style. It helps
you get down the stairs. It helps
you get up in the morning. It's
a way of life. Without it, you're
nobody. I'm not talking about
love of clothes."

There is a big part of my style. You have to be willing to fall on your face a bit, to be that fashion risk-taker. I know so many people who are die-hard fashion people, they are way more educated than I am, but I know fashion. It's so much more important than just getting it right.

Tradition is not something that exists in dresses only. Tradition is a way of life, a culture, a habit of heart. It is with ideas, the way we live, what is happening.
