CHARIZMA

"Don't be shy, come. Don't make believe you can't. Let me show you how."  
 And you need no reason for the way you chose and the way to love."

1032-001

"There's no one more, don't make things more, but you should with, and you  
with you, with is related to the way you make and the way to be."

1032-003

"You're the one inside. Don't make anyone else see you, but let them know you are. After you start to believe in the way you think, and the way to live."

1032-004

Don't be too proud, Don't make friends with you, but the whole world may see,  
When you stand in judgment on the way you think you may be.

1032-005

1032-007

"Don't be too greedy, don't take too much, and don't be too greedy, what you are  
what you want to be, what you want to be, what you want to be, what you want to be?"

1032-008
