"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

"What you wear is how you present yourself to the world, especially today, where human contacts are so quick. Think in present language."

*What you wear is how you present yourself to the world, especially today, which means we have an on guard. Fashion is your language!

"What you wear is how you present yourself to the world, especially when
when human relations are in question. Fashion is cultural language."

Zulfat®
