"Fashion you can buy, but style you possess.
The key to style is learning who you are, which takes years.
There's no how-to road map to style.
It's about self expression and, above all, attitude."

"What's my style is not your style, and I don't like how you can define it.
It's something that expresses who you are in your own way."

YOU LOOK DIFFERENT

"You gotta have style. It helps you get down the stairs.
It helps you get up in the morning. It's a way of life. Without it,
you're nobody. I'm not talking about lots of clothes."
