"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way." D.NO:942-002

# ASTHETIC

*unique fashion*

"Fashion you can buy, but style you possess.  
The key to style is learning who you are, which takes years.  
There's no how-to road map to style  
. It's about self expression and, above all, attitude."

# PRESENT

*to the world*

"What you wear is how you present yourself to the world,  
especially today, when human contacts are so quick. Fashion is instant language."

DEFINE  
*the beauty*

"Don't be into trends. Don't make fashion own you,  
but you decide what you are, what you want  
to express by the way you dress and the way to live."
