## GARDEN OF MAGIC

If you have ever been to the  
Garden of Magic, you know  
it's not just a garden.  
It's a place where the  
earth and sky meet, and  
the sun and moon dance  
together. It's a place where  
the colors of the rainbow  
are all around you, and  
the sounds of the wind  
are in your ears. It's a  
place where you can feel  
the magic of the world.

The first step was to  
make some very small  
and very simple things  
and then gradually to  
take more complicated  
things. I had all the  
materials and I had  
the tools and I had  
the money.

Passage to Perfection
