EXAMPLE LOOK

"Fashion is what you're offered that tries
to make you feel like you have it.
Real style is what you choose."

Flattering Creation

"People, when they say 'flattering', they mean the central component, which is that it's not just a piece of clothing that you wear on the body."

Style Symbolism

"Never, dear, confuse what happens on a runway with fashion. A runway is spectacle. It's only fashion when a woman puts it on. Being well-dressed hasn't much to do with having good clothes. It's a question of good taste and good common sense."
