

Linen  
(With Inner)

The image shows a collection of white linens with a delicate pink floral pattern. A white rectangular label with the text "Linen (with Inner)" is placed on a folded napkin. The linens are laid out on a surface with a matching floral pattern. The pattern consists of small, stylized pink flowers with dark centers, scattered across a light background. The linens include a folded tablecloth and several folded napkins, some of which have a lace-like border. The overall aesthetic is soft and romantic.
