The Star

A mere glance at her, and the red carpet rolls out. Looking sensational in her dress, the paparazzi follows her asking her questions- about her allure, her charm and most importantly herv dress. She greets them with a smile. The smile nothing...and yet everything. She is a star and the world is in love with her.

Sparkling *Finesse*

Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. These maidens were born soon after, and from a very young age glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy came true!
