*The essence
of beauty*

A woman is the central figure, wearing a voluminous lehenga with a complex patchwork of red, orange, and purple fabrics, each featuring different traditional Indian patterns. She is holding the wide sleeves of the skirt out to her sides, creating a large, circular shape. She is standing on a stone floor in front of a building with large, arched windows and pillars. The lighting is warm and golden, suggesting late afternoon or early morning. The overall mood is elegant and traditional.

*The elegant

Classic to Contemporary
